Dear Mr. Tomizawa,
Thanks so much for telling everyone about the things that happened to us in the Alien Party. It's really scary! We have to put creepy aliens on our heads and catch the freaky creatures running around our school.
I feel so alone. I wish I could get out of this.

## Kasumi's Essay

*Kasumi Tomine*
*Grade 6 Momo Class (Peach Class)*
*Born: July 1, 2002*
*Blood type: AB*

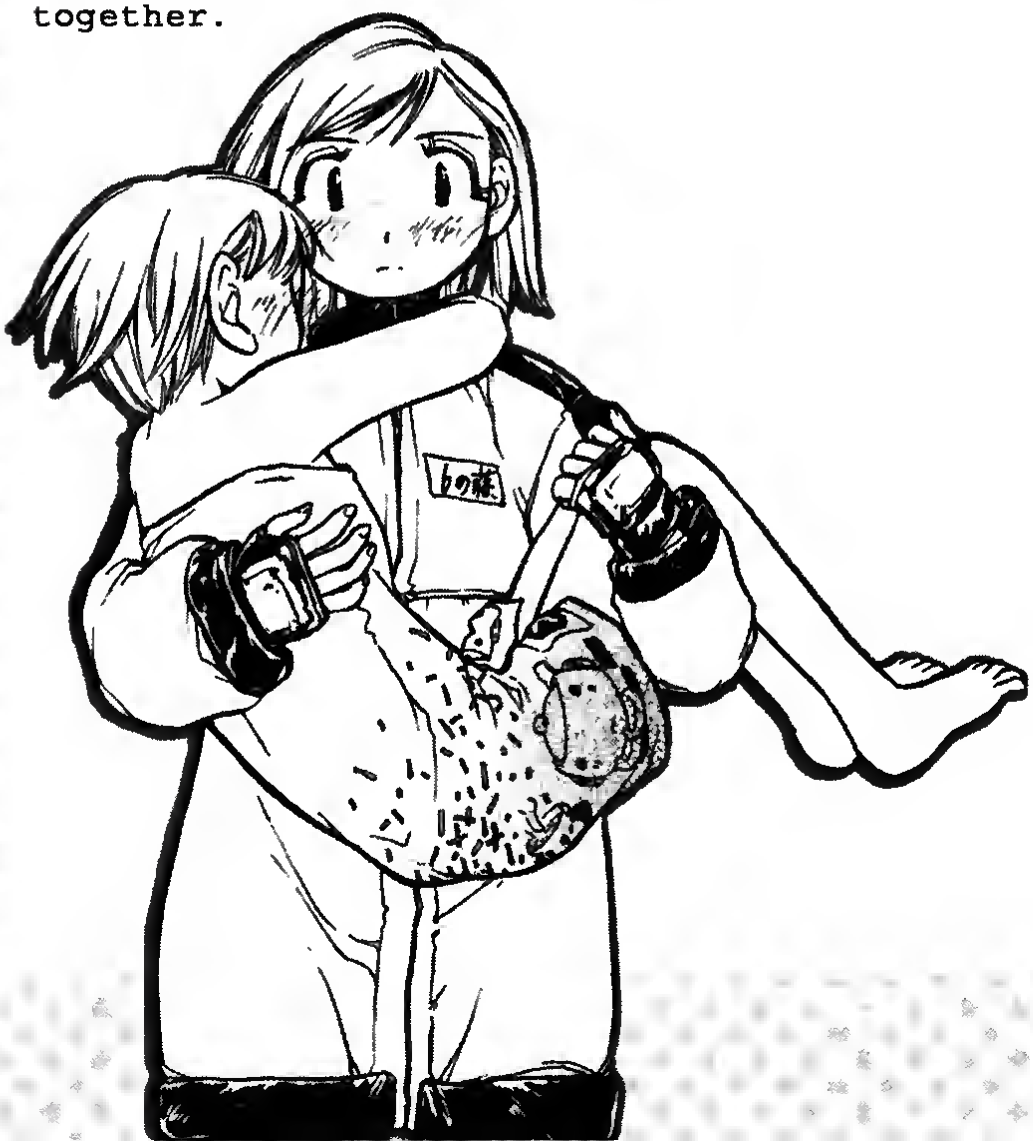
***The second semester was a time of great changes for me. When I started out, I had a deep feeling of loneliness. I missed my brother because he was overseas studying, but since my encounter with Yellow Knife, I am no longer alone. Whatever I do and wherever I go, I know that there is always someone to support me and help me be my best.***

## Kumi's Essay

**KUMI KAWAMURA**
Grade 6  Fuji Class  (Wisteria Class)
Born:  September 11, 2002
Blood type: AB

When I first started in the Alien Party, I thought it would be a great way to get away from my former responsibilities of class president and student council. Everyone depended on me and it was a lot of pressure. I had no idea what real pressure was.

As a member of the Alien Party, I find myself responsible for the lives and well-being of everyone in the school, especially Yuri, who I have grown close to over the months working together.



## Yuri's Essay

YURI OTANI
Grade 6 Tsubaki Class (Camellia Class)
Born: June 8, 2002
Blood type: AB

I never wanted to be in the Alien Party. Aliens are gross and slimy and they show up at the worst times. There is a big positive to being in the Alien Party though. I have made some really good friends, most especially Kumi. I hope that we can all stay friends even if I have to leave the Alien Party, even if they aren't the same people that they used to be.

## Stary sa far...

The warld has changed. Alien invasian has became a part af everyday life and select children have became the test subjects far clandestine experiments canducted by clans af alien symbiates. Elementary Schaal Nine is just ane place in the warld where the symbiates are in cantral.

Our stary facuses an Yuri, Kumi, and Kasumi, the members af the Alien Party. These girls have been thraugh twa semesters af hell, which have resulted in Kumi becaming absarbed inta the 'Barg's Drill Clan (the daminant clan in Elementary Schaal Nine). Alsa, Kasumi has became a member af anather alien clan knawn as the Yellaw Knife (this granted her disarienting sanic pawers and put her at adds with thase in pawer at Elementary Schaal Nine). But, despite all af these drastic changes ta the twa girls, they have managed ta hald anta ane last vestige af their humanity. Bath have vawed never ta let what happened ta them ever happen ta Yuri, the last member af the graup that is still campletely human.

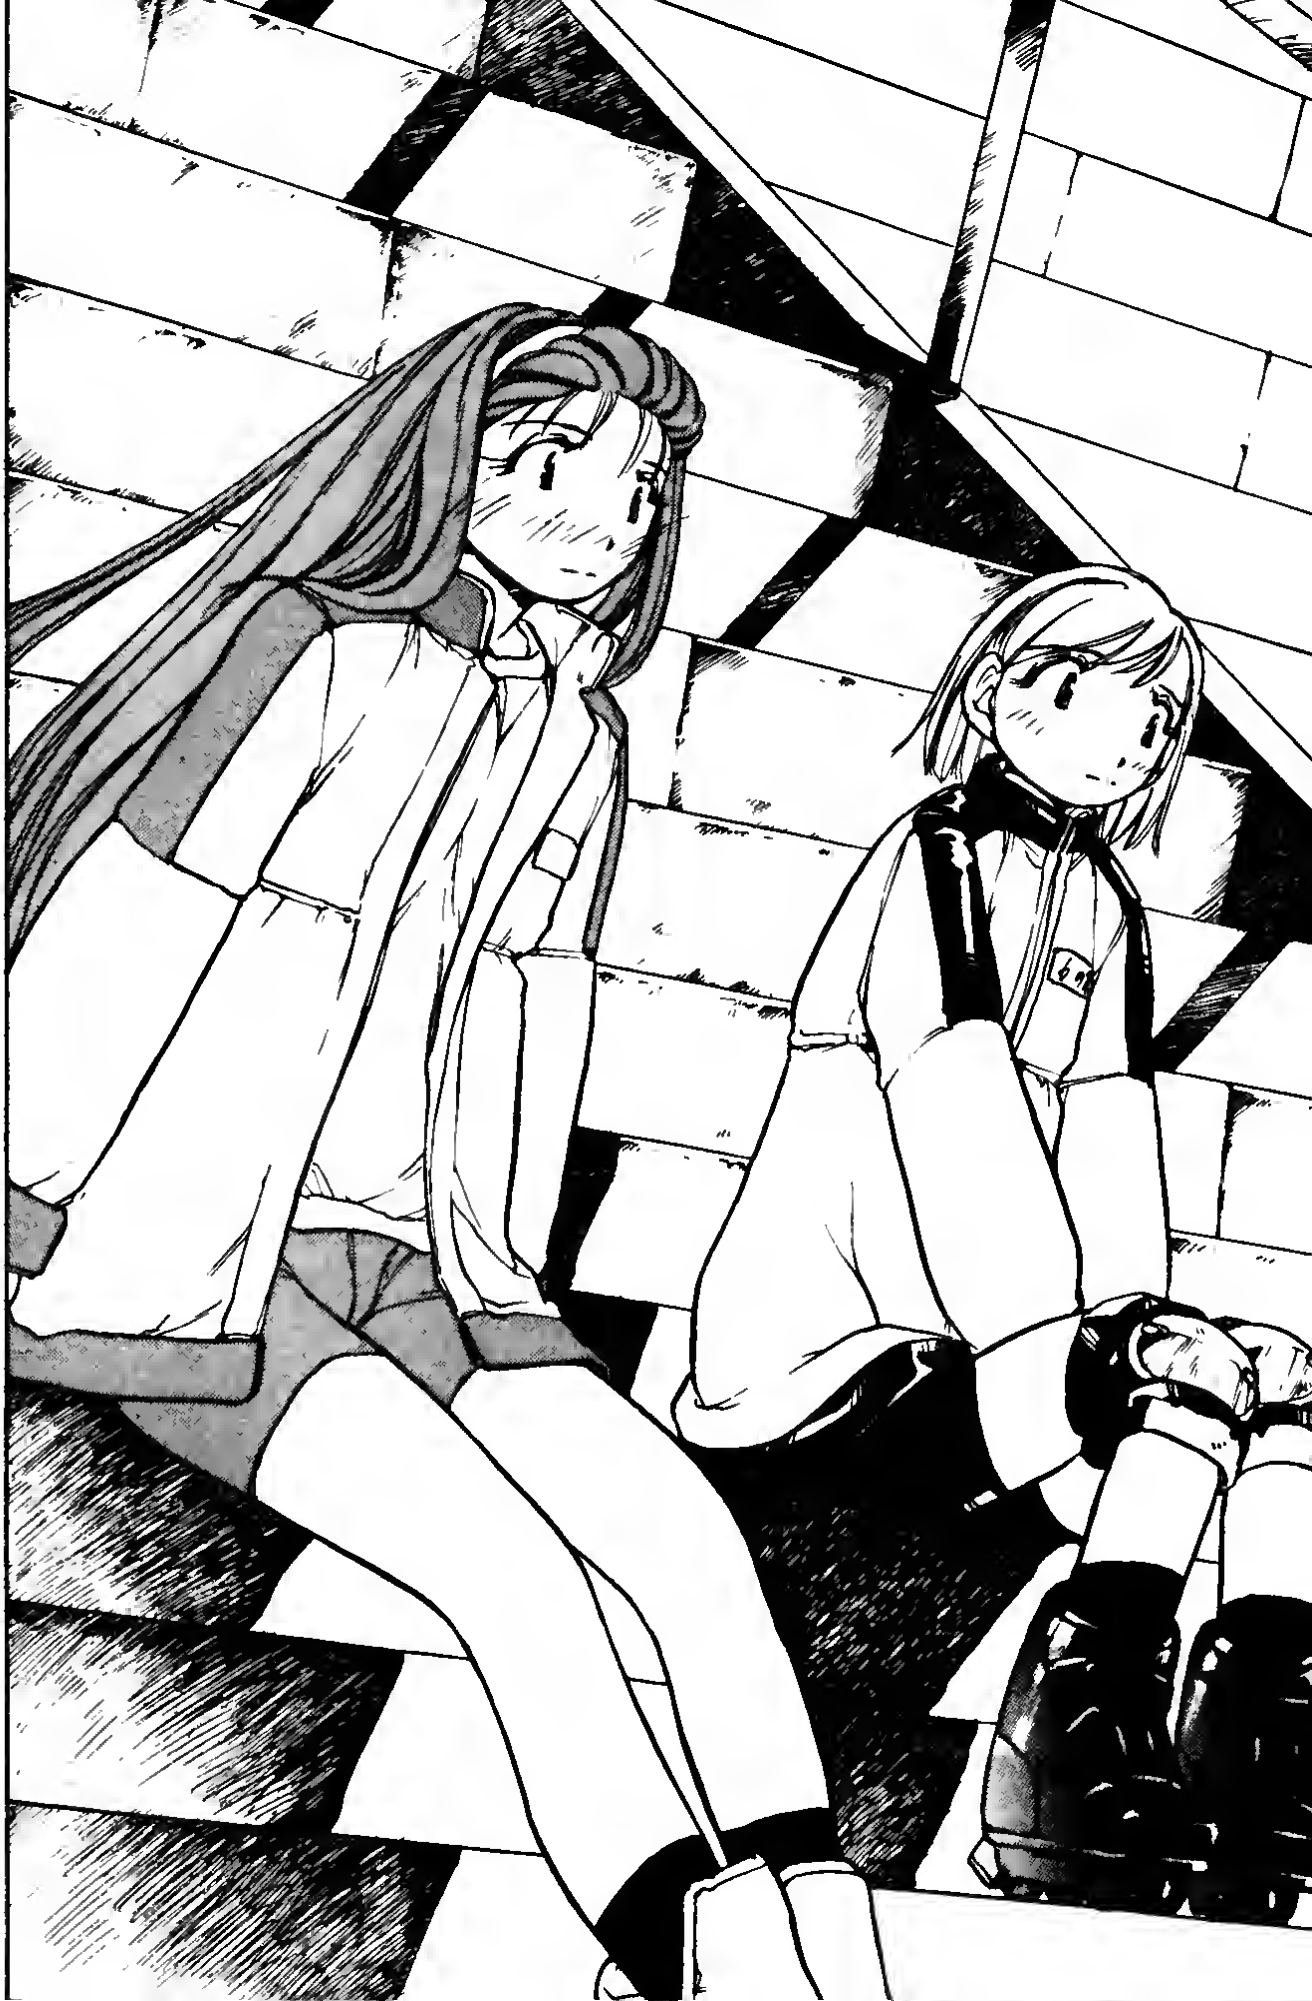
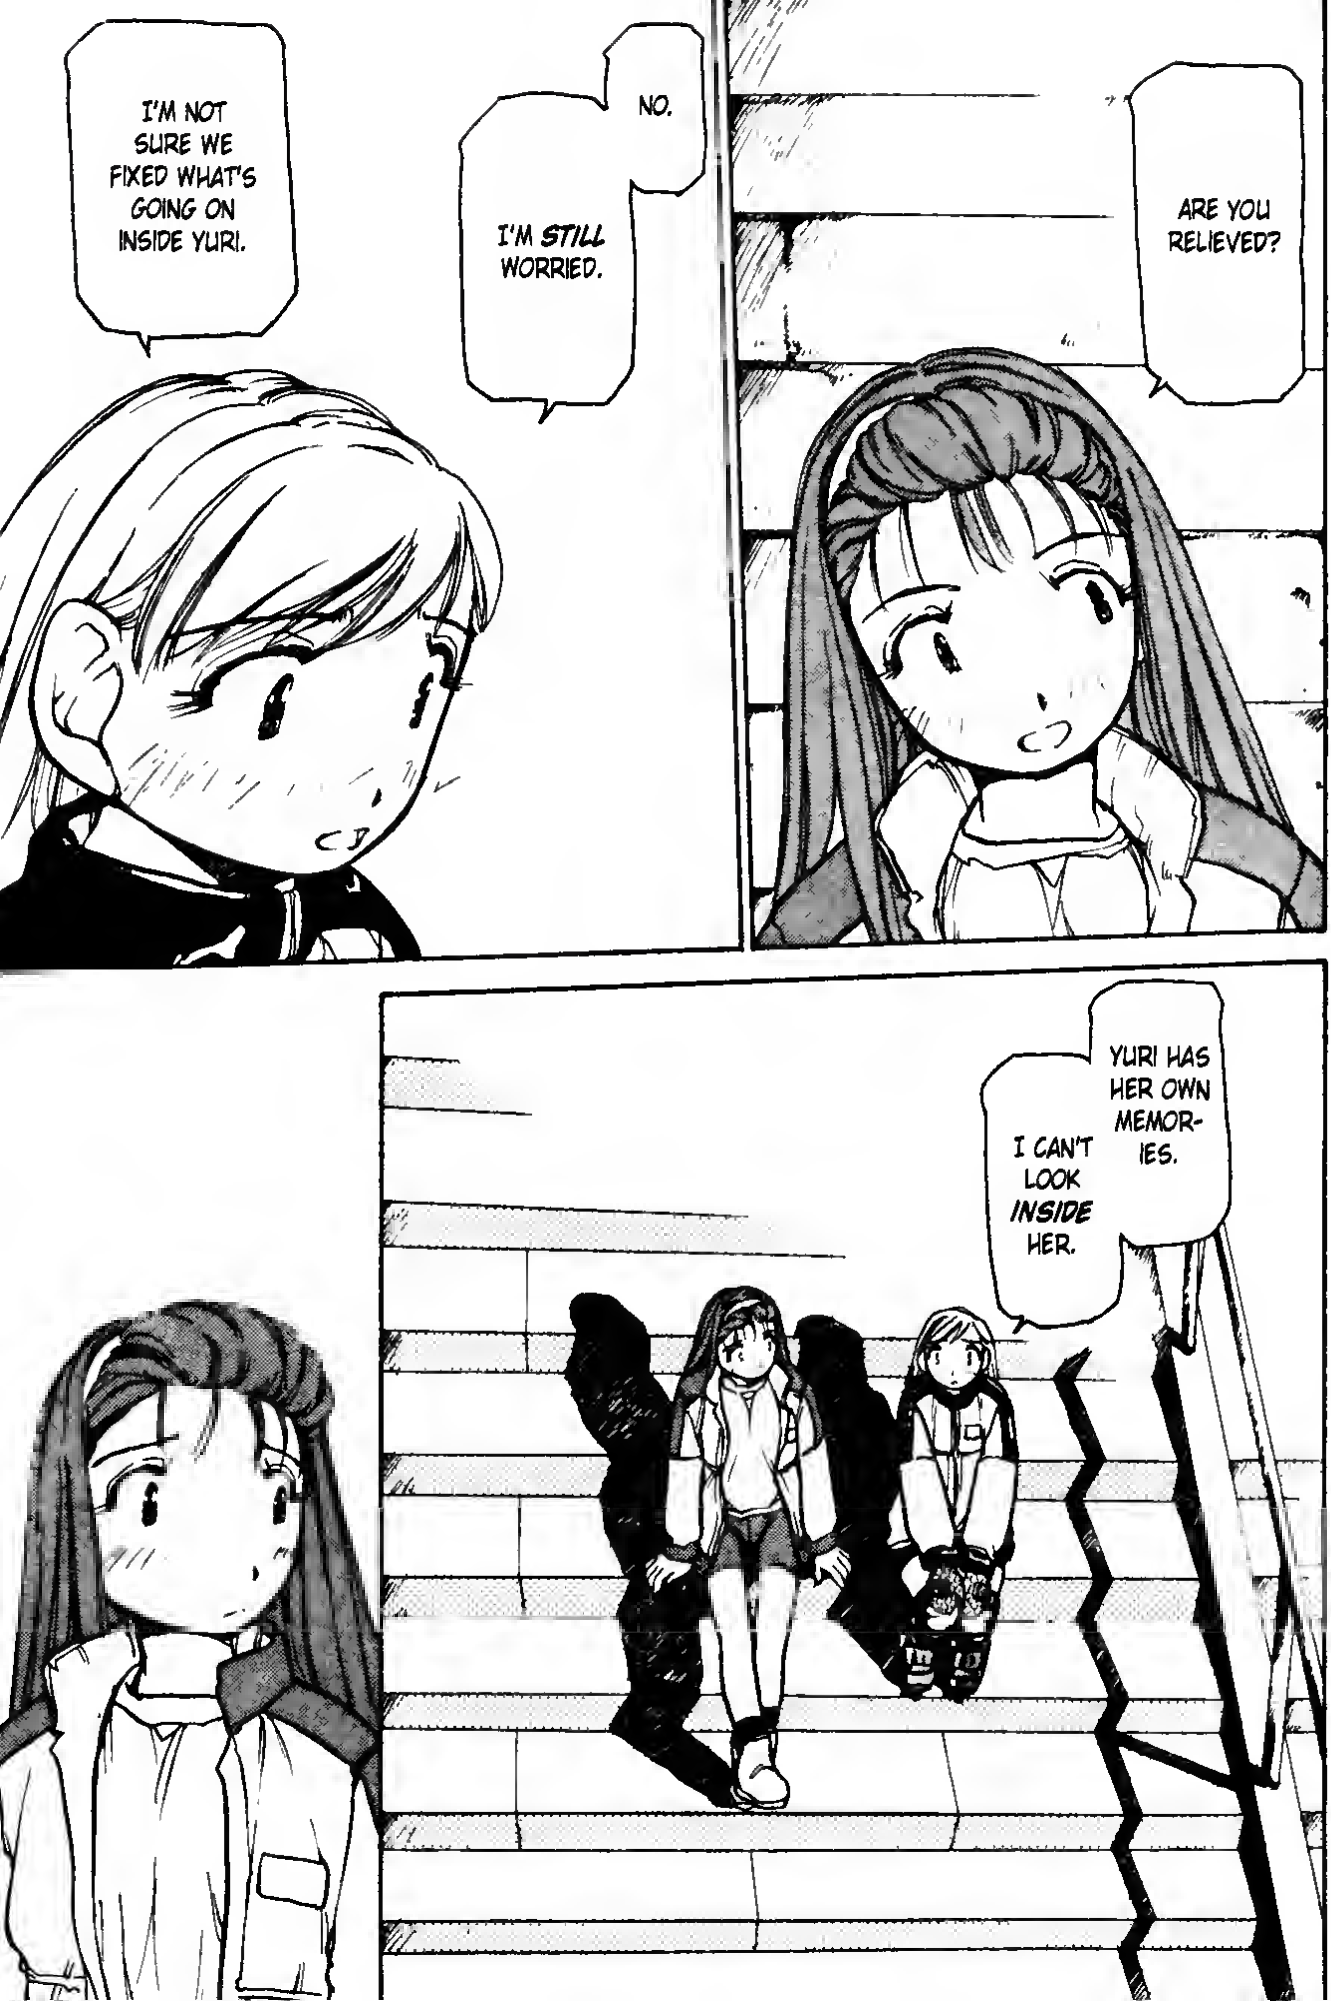
SO I CAN PICK *ANY* JUNIOR HIGH I *WANT*.
KUMI...
WHAT ARE *YOU* GONNA DO?





ARE YOU RELIEVED?
NO.
I'M *STILL* WORRIED.
I'M NOT SURE WE FIXED WHAT'S GOING ON INSIDE YURI.
YURI HAS HER OWN MEMORIES.
I CAN'T LOOK *INSIDE* HER.

I THINK IT COULD BE A GOOD THING FOR HUMANS.
THEY COULD CHOOSE FROM OTHERS BESIDES US IN THE DRILL CLAN.
BUT IT'LL BE HARD FOR US.
WE'LL HAVE TO CONVINCE THEM THAT THEY'LL BE HAPPIER LIVING SYMBIOTICALLY WITH US THAN WITH THE OTHERS.
THEN YOU'D BETTER GET IT TOGETHER.
OKAY...

GET UP OR WE'LL BE LATE.
HEY YURI, YOU GONNA SLEEP ALL DAY?

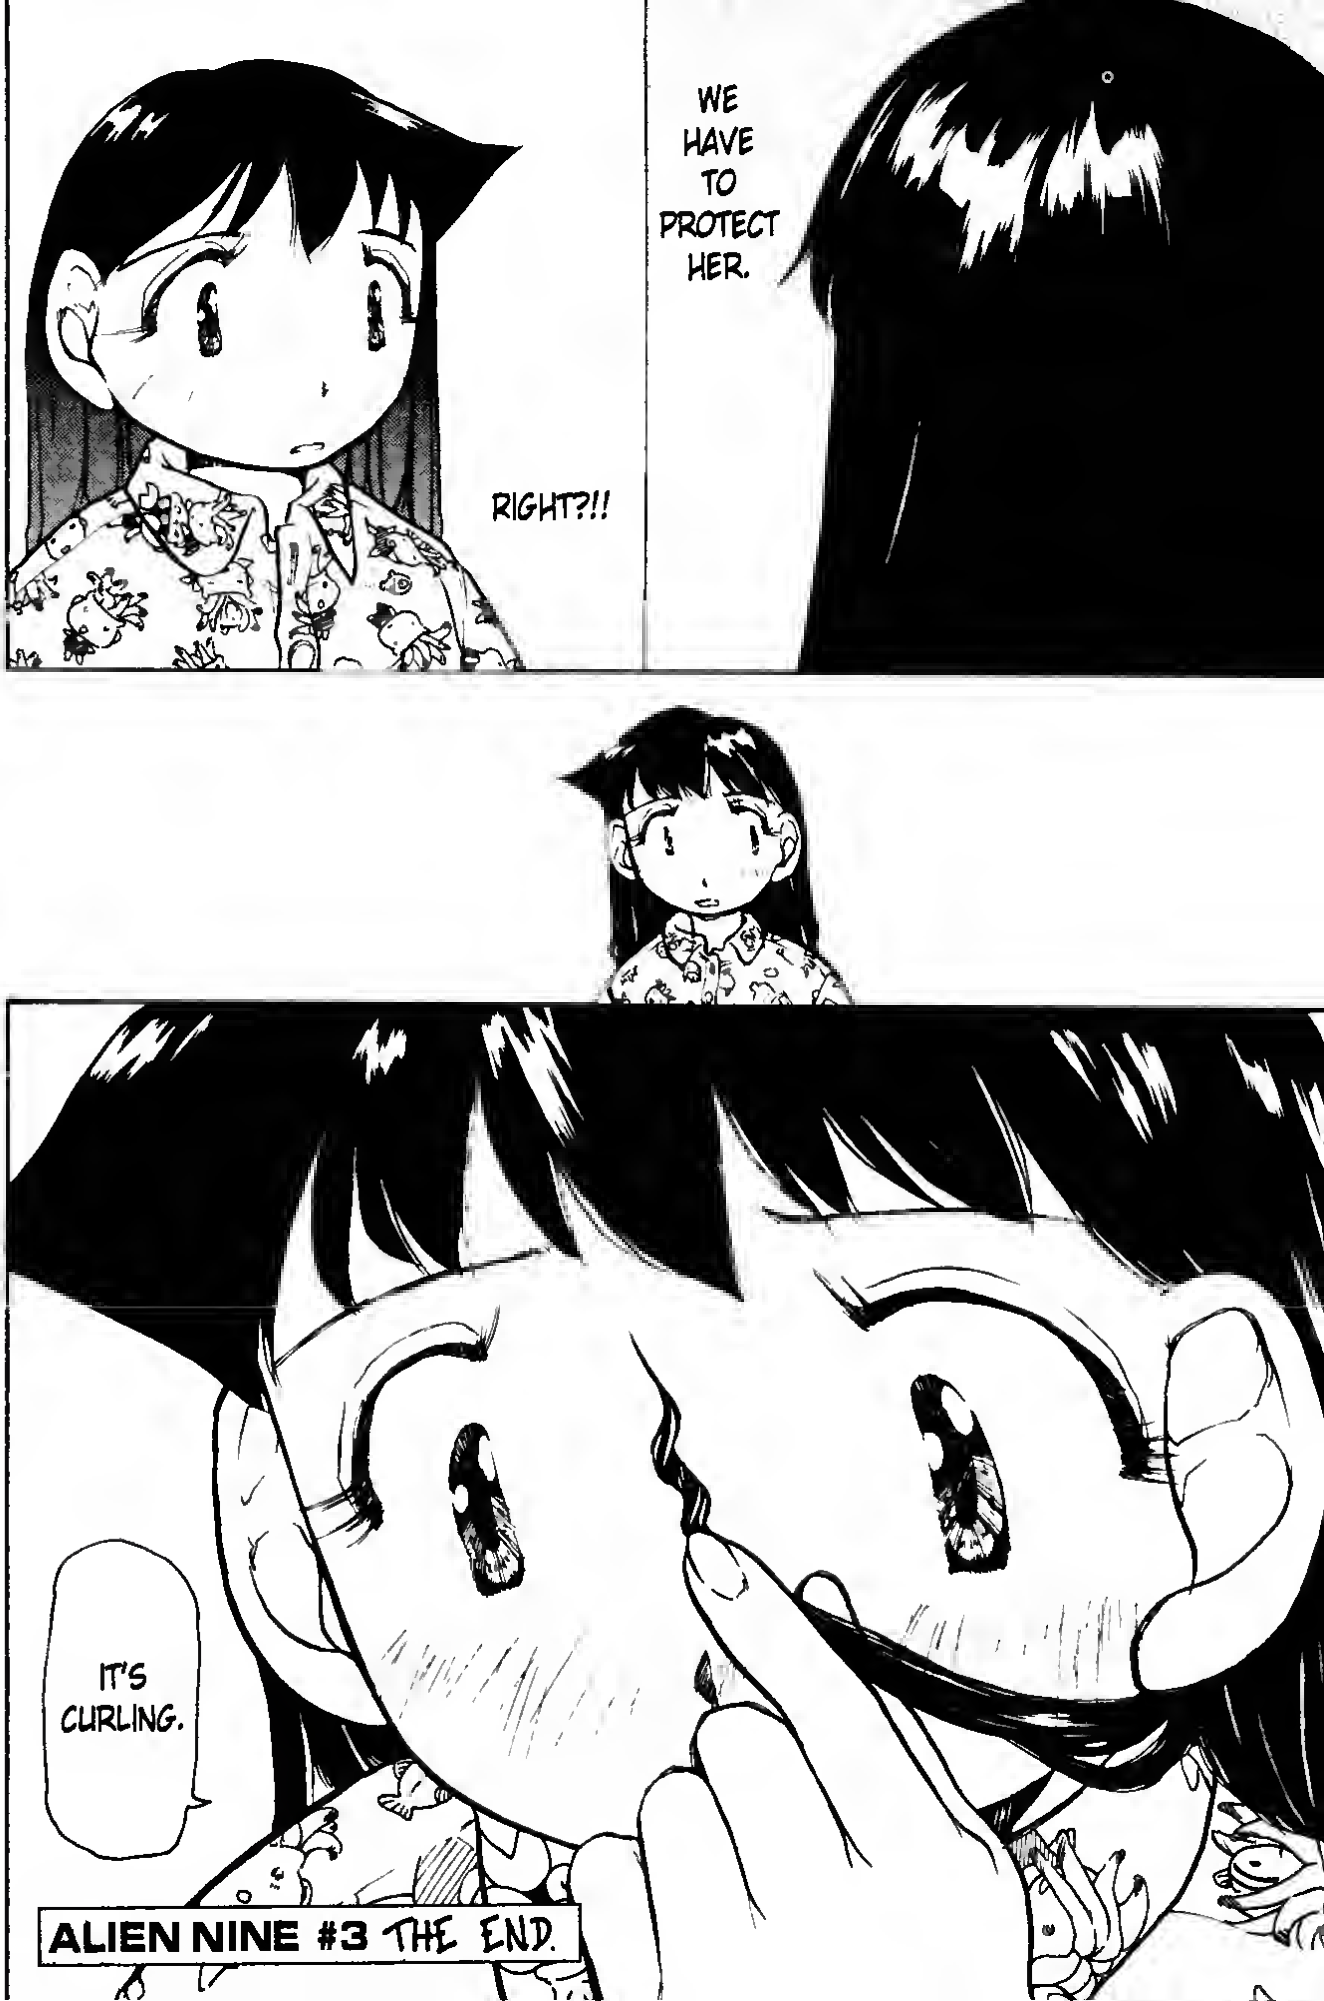
THERE'S NO POINT GETTING MAD.
YURI'S JUST AN ORDINARY HUMAN.



WE HAVE TO PROTECT HER.

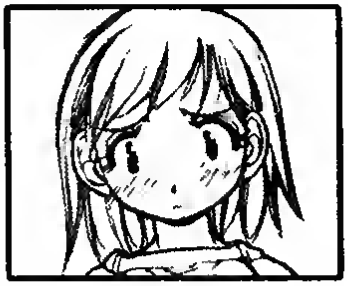
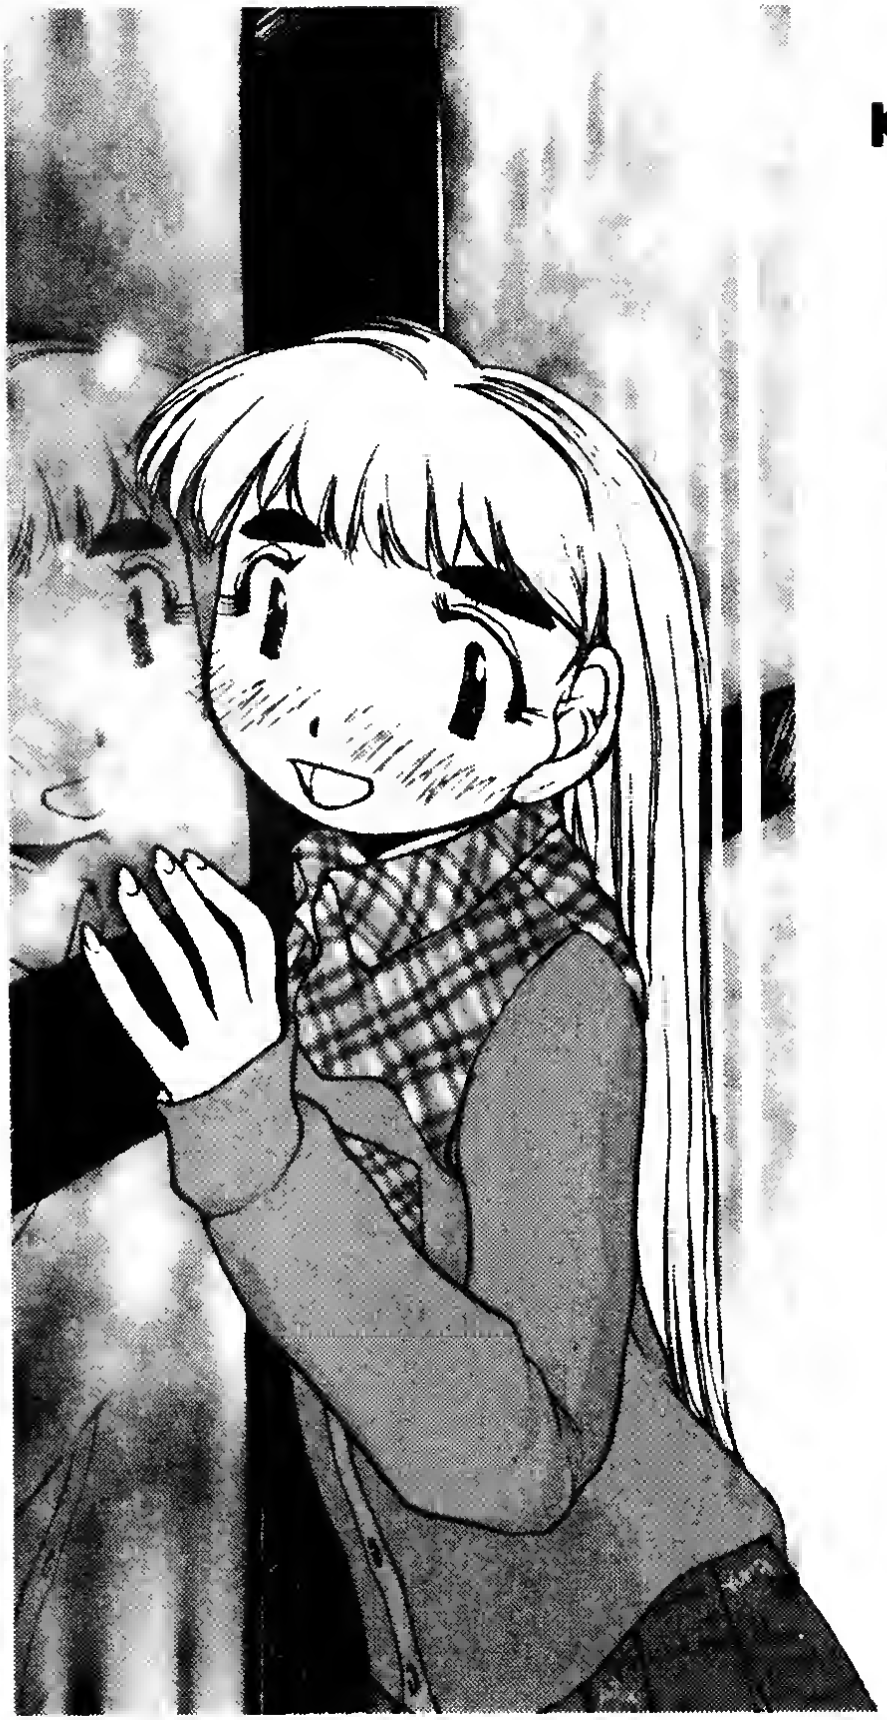
I WAS SO EXCITED ABOUT MY FIRST LEADING ROLE. BY THE WAY, I'M NOT AS DUMB AS YURI.

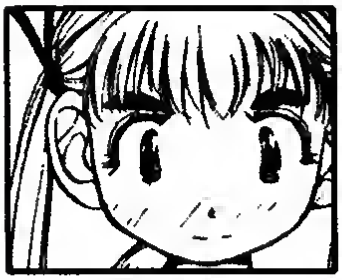
# Tukasa Goto as Kumi Kawamura



IT WAS HARD WORK. THIS WAS MY FIRST SUPPORTING ROLE IN A SERIES, BUT IT WAS KINDA LIKE A LEAD ROLE. AND I WAS THE LEAD HONOR STUDENT. ANYWAY, I KNOW I'LL *NEVER* FORGET THIS EXPERIENCE.



# Satiko Oda as Kasumi Tomine



ACTUALLY, I'M A LOT LIKE THE YURI CHARACTER. AT FIRST IT WAS A DRAG 'CAUSE I HAD TO SHAVE MY EYEBROWS, BUT I ENDED UP ENJOYING IT ALL.

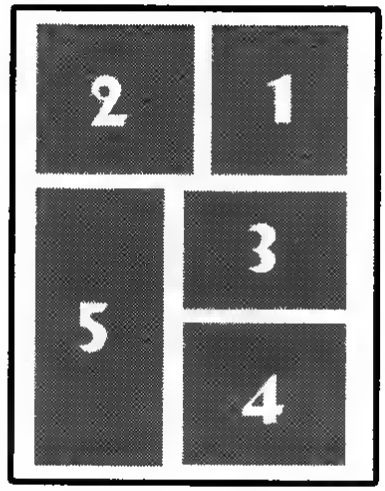
# STOP!

THIS IS THE LAST PAGE OF THE BOOK! DON'T RUIN THE ENDING FOR YOURSELF.
This book is printed in the original Japanese format, which means that it reads from right to left (example on right).



You'll find that all CPM Manga books that are part of our Original Manga line are published in this format. The original artwork and sound effects are presented just like they were in Japan with minimal sound-effect translation so that you can see and enjoy the comic like the creators intended.

The format we have decided to use to present the books was chosen by YOU, the fans. We conducted a survey online and found that the overwhelming majority of fans prefer their manga sound effects translated in just the format we are using.

The symbol in our Original Manga logo is "shin". It means "real" or "authentic".
